

From your mommy Lesvia
To my son

Hi son I want to tell you that I miss you very much I am missing you very very much I Know that they separated us but I know that God is great Soon we will reunite I know my precious that it is not easy because I had never separated myself from you I love you my little one This separation hurts me very much I ask God that he protects you that he takes care of you I hope that you are very well Although it hurts to tell you these words Although I know this was not our destiny But they have done this I don't know why they do this to us But I love you despite living this nightmare But I am not going to give up until I have you in my arms I love you my heart Do not forget it Hugs Take Care
