

From your mommy Mirian [full name redacted]
For you my son: Kennet [full name redacted]

My son I write you these words with immense pain in my heart to have you separated from me. But I want you to know that I miss you so much. And that every day I ask God that very soon we will be together again. And that they will never again separate you from me because you are the most beautiful thing that God gave me, you my son. And I want you to know that I love you with all my soul and the biggest thing I ask God is that we will be together. God willing, my son.

I love you so much my son.
