My son, I want to tell you that I miss you very much, that I love you and that soon we will be together, that all this is already almost over and that they will never separate us again.

I hope to see you soon. I know that you are already with your dad but soon we 3 will be together. I know that you miss me and I miss you too, and when we are together we will go out. I don't want you to be sad. I love you, my son.

See you soon. I am sending many hugs and kisses.
